Mention "Scottish Festival" rates

The Quality Inn at Arlington Highlands will be the weekend festival HQ when not on site and the accommodation for all our entertainers, judges, and competitors. We have the entire hotel so we can customize the weekend for our Scottish Festival attendees. The Quality Inn is only 4 miles from Maverick Stadium, our festival site, and is located near our original home, the former Caelum Moor. **NOTE**--Be sure to identify yourself as attending the Scottish Festival or they may inform you that the hotel is blocked. Of course it is blocked for us, but you must inform the hotel your are in the Scottish Festival group. Book early for savings.
